WELFARE COUNCIL

ORGANIZATION REPRESENTATIVES MEET AT CITY HALL, ADOPT CONSTITUTION

In response to a call sent out from the City Hall, representatives from a number of organizations which do philanthropic work assembled in the City Council Chamber Monday evening to formally organize the Glendale Welfare Council to work in conjunction with the City Welfare Bureau.

Mrs. A. A. Barton was elected temporary chairman and Mrs. Robert Blackburn, temporary secretary.

A draft of the proposed constitution was then read by Mrs. H. E. Bartlett and adopted after being read section by section and discussed. It provided that active membership shall consist of one representative from each organization which shall have paid into the treasury \$5.00 or more annually. It also provided for associate membership by small organizations on payment of \$2.50 annually and for honorary memberships to individual contributors. The officers are to consist of president, vice-president, secretary and treasurer and provision is made for the business of the council to be carried on by an executive committee composed of the officers and one other member elected by the council.

Following the adoption of the constitution it was signed by the following list of persons representing the organizations named: Mrs. C. E. Case, Chapter B. A. of the P. E. O.; Mrs. H. E. Bartlett, Glendale Chapter of American Red Cross; Mrs. C. L. Young, P. T. A. Federation; T. W. Watson, City of Glendale; Mrs. E. D. Yard, Congregationalist Church; Mrs. Ella Meeker, Tuesday Afternoon Club; Mrs. Arthur C. Brown, Chapter L. of the P. E. O.; George G. Lemon, Presbyterian Church; Clarence E. Kimlin, Glendale Sanitarium, and R. W. Munson, Seventh-day Adventist Church.

In view of the fact that a large number of organizations which are expected to come in were not represented, on motion of Mrs. Meeker the council voted to postpone the election of permanent officers until a meeting to be held two weeks from that night at the same hour and place. It also voted empowering Mrs. Blackburn to act as temporary (Continued on Page 3)

PARENT-TEACHER

MANY ITEMS OF BUSINESS TRANSACTED AND REPORTS RECEIVED, MONDAY MEETING

The regular meeting of the Glendale Federation Parent-Teacher Association was held on Monday, November 17th, at the Intermediate School with President Mrs. A. A. Barton in the chair. Mrs. M. E. Plasterer was elected by the Executive Committee to the office of treasurer left vacant by the resignation of Mrs. Braun.

The report of membership chairman was read by Mrs. Barton giving the number of members to date, not including Intermediate School, as 1022. The Federation voted to send a vote of thanks to Patriotic Chairman Mrs. E. B. Moore in appreciation of the splendid service rendered toward the success of the Armistice celebration. President Barton stated that Mrs. Blackburn as City Welfare Worker will have an office at the City Hall where she will be stationed three days in the week and that the store room for supplies which is nearby the City Hall would be open on Thursdays.

Mrs. Barton also spoke of the Welfare Council to be organized and \$5.00 membership fee was voted in the event such organization plan was carried into effect. Supervisor White announced the drive for children's wearing apparel which Intermediate School will undertake for Serbian relief.

Mrs. Barton requested that those having salvage to dispense send it to Red Cross Shops as one-half of proceeds of the shop's revenue will be used for local relief. Mr. White, in the name of the American Legion, (although he stated unofficially), thanked the Federation for their part in the celebration to service men, and made the suggestion that the Federation and every other organization which is patriotic, draw up a set of resolutions to be sent to the Governor, stating our satisfaction with the government, as it is the best on earth. It was voted that the Patriotic Chairman draw these resolutions to be passed upon at the next meeting. After a general discussion of the best method toward a Community Fathers' Night later in the season the meeting adjourned.

FLOOD CONTROL WORK

MR. DALEY HAS BEST ORGANIZATION IN COUNTY AND IS PUSHING JOB RAPIDLY

Mr. Daley, who has charge of flood control work in this locality, is well pleased with the organization, which he has finally perfected, and the progress that is being made. He now has a crew of about one hundred men who are giving efficient service. The two upper pile drivers which are driving in the steel piles have completed about 3500 feet of the work laid out, or three-fourths of a mile between the La Canada bridge and the camp at the junction of Verdugo Road and Glendale avenue. About 4500 feet yet remains to be done. One wooden pile driver and two steel pile drivers are now at work and another steel driver will be put in, making a total of four drivers. Brush is piled up well ahead of the drivers so it can be put in as fast as the piles are placed. More brush is being cut on lands for which permits have been secured which is being hauled down. Mr. Daley states:

"Excavation is nearly completed between Brand and Central and we are moving the Pacific Electric tracks onto the new temporary right of way north of where they now are, and are cutting the channel through where the tracks formerly ran. The new channel excavation and the protection work are both practically complete from three or four hundred feet east of Louise on through to Brand boulevard with the wooden piles, the fencing, and the brush behind the fencing.

"As the work stands now we have the best organization in the county flood control district in the matter of a construction corps because we have one of the largest corps and are getting the maximum efficiency. Lots of high school boys are working Saturdays and they make fine help.

"We have been leaving Brand boulevard open to traffic but will now close it on both the east and west sides in order to cut the channel through. Not until the bridges are finished will it be opened up again. We are piling in concrete now for the bridge on the east side and it should be completed by the first of the year. This is, of course, the county bridge. The P. E. Railway will operate on the pile trestle until they get their own concrete bed in. The Louise street bridge is now open to traffic. It has been closed until the present time. Central avenue will not be closed for a while, or not until the east side of Brand is open again. We expect work to be finished to Pacific avenue by the first of the year. We are now arranging for the driving of piles between Central and Pacific and will be in there next week.

"The work is now spread over two and a half miles of line. We have been showing very good results from the time we started. It was a little slow at first but it has improved steadily and will be getting bigger all the time. Last month we had a pay-roll of about \$8000 and it will be fully as large this month. Practically all of this money is spent here for most of our supplies are bought through local merchants. We were so fortunate as to get in ahead of the steel strike by purchasing fencing and other steel needed through one of our local merchants. Elwood fencing, such as we are using, is impossible to obtain now. There is none of it on the coast and this is liable to hold up some of the flood control jobs.

"After completing the work laid out to Pacific avenue we shall continue on to the river, which will take it outside the City of Glendale. We will then take up the work between La Canada bridge and Montrose, and then Sycamore Canyon."

BURIED WITH MASONIC HONORS

Impressive funeral services conducted by Knights Templar of Evanston, Wyoming, assisted by Rev. Dunn, of Cheyenne, were held Sunday morning, November 24, at the Methodist Church in Evanston Wyoming, over the body of George C. Goodman, who died at his home in this city October 29, 1919. Interment was in the Masonic Cemetery. His widow and daughter will return to their home at 342 West Lexington Drive about the first of December. Deceased had quite a circle of friends here, particularly among members of the Masonic Orders. He was created a Knight Templar August 24, 1891, and a Knight of Malta on the same date, was made Eminent Commander in 1906, and a life member in 1906.

CUMMINS' RAILWAY BILL VETOED

MEASURE WOULD HAVE RESTORED POWER TO INTERSTATE COMMERCE COMMISSION

(Special Service to Glendale Evening News)

WASHINGTON, Nov. 18.—The president today vetoed the Cummins Railway Rate Bill restoring to the Interstate Commerce Commission its pre-war powers over railway rates. If the bill had become a law the Railway Administration would have been forced to appear before the Interstate Commerce Commission for a hearing on railway rate increases. Practically all of the railway rates were increased during the war.

In his veto message the President gave as a reason for vetoing the measure the provision under which the power to review rates is restored to the State Railway Commissions. He said this would deprive the government of its power to meet operating emergencies.

MINERS REFRAIN FROM WORK

DESPITE LIFTING OF STRIKE ORDER ABOUT FOUR HUNDRED THOUSAND MEN ARE STILL OUT

(Special Service to Glendale Evening News)

WASHINGTON, Nov. 18.—On the basis of government reports it is estimated that 400,000 coal miners are still on strike despite the action of the United Mine Workers cancelling the strike order. Both the operators and union officials agreed that the number of men who have returned to work is "negligible."

PLENTY OF SUGAR AT OXNARD

REFINERS CHARGED WITH REFUSING TO FILL ORDERS WITH STOCK OF 15,900,000 POUNDS

(Special Service to Glendale Evening News)

LOS ANGELES, Nov. 18.—Secretary Webber of the Southern California Retail Grocers' Association today wired the Federal Trade Commission charging that the American Beet Sugar Refining Company has 15,900,000 pounds of sugar in storage at Oxnard, California. It is charged that despite this large stock on hand, the company refuses to fill over 40 per cent of its orders. The Retailers' Association has been trying for several weeks to secure a Federal Trade Commission investigation of the sugar situation.

BORDER MEXICAN ASSASSINATES BANKER

EUGENE LACK OF CALEXICO DIES OF GUNSHOT WOUNDS AT CALEXICO—INTERNATIONAL SITUATION TENSE

(Special Service to Glendale Evening News)

CALEXICO, Cal., Nov. 18.—Eugene Lack, brother of Fred Lack and a prominent banker, died this morning from gun-shot wounds inflicted Saturday night on the Mexican side of the border.

It is alleged that a Mexican policeman was his assassin. Feeling here is running very high and while little is permitted to be said officially on account of the international aspect of the case, authorities are with difficulty restraining citizens from crossing the line into Lower California in search of the alleged slayer. Two troops of cavalry of the border patrol are helping to maintain order. The situation is considered as exceedingly tense.

SCOUT EXECUTIVE

S. B. KELLOGG SECURED TO HEAD GLENDALE WORK, OFFICE AT CITY HALL

There is no one in Glendale with real red blood in their veins, who is not vitally interested in Glendale's finest possession, her boys. These will all be glad to learn that Glendale's Boy Scout organization is on the point of taking a very definite step forward. The Council has rallied behind the chairman, David Black, and is now "up and doing." They have secured the part-time services of S. B. Kellogg, 630 North Kenwood street, as Scout Executive of the city, and the headquarters will be located in the City Hall, thanks to the kindness of our city officials.

Mr. Kellogg is taking the place of E. E. Harwood, who has been rendering such valuable service to us as acting executive during the past few months. Mr. Kellogg, an ex-service man, and a graduate of Yale, comes to us with five years of Scout experience, and, above all, a passionate fondness for boys. He states that he believes Glendale to be the ideal community for a highly successful Scout organization and program. Although he has lived here but a few weeks, he sees that Glendale is 100 per cent American and enthusiastically loyal to every movement aimed to promote 100 per cent Americanism. That is exactly the aim of the Boy Scouts of America. Moreover, there are from five to eight hundred lively young American boys in Glendale, all of them representing the finest types of American homes, and these boys have already won Mr. Kellogg's heart. This week he pledges his hand to them.

Among many other plans which are rapidly taking shape, may be mentioned those for a permanent Glendale Scout Camp. It is also expected that every Glendale Scout will be given the opportunity of a hike, camping trip, or some similar treat every week. On these occasions the boys will be given every opportunity for instruction and training in Scoutcraft, and for passing tests.

Inasmuch as plans are still in their infancy, it is not possible at this time to give out anything very definite. Those that are interested need only to follow these columns for information as to Scout events, progress, etc.

Now, then, all together! Let's all boost and boost hard for Glendale's B. S. A.!

A MOTHER HONORED

Mrs. V. Rapp entertained at her home on Cameron Place, Monday afternoon, in honor of her mother, Mrs. Caroline Webber, of Los Angeles. The guests were Mrs. B. A. Young, Mrs. H. J. Bender, Mrs. Martha Bender, Mrs. C. Hughes, Mrs. Williams and Mrs. John S. Tassmer. Mrs. Martha Bender, who is 81 years old, has recently come to Glendale from Milwaukee, making the trip by herself. She expects to spend the winter in Glendale. Mrs. Rapp's home was tastefully decorated with Cecil Bruner roses and chrysanthemums.

ELKS INITIATE

OFFICERS OF SAN BERNARDINO LODGE PUT ON WORK—LODGE BOOSTS THRIFT STAMPS

Officers of the San Bernardino Elks' Lodge were guests of honor at the meeting of the Glendale Lodge Monday night and performed the work of initiating candidates for membership, the visiting delegation being headed by Exalted Ruler Captain Strohme, who was second in command of the famous "Lost Battalion." A fine patriotic address was made by Judge Goodfellow of San Bernardino, a member of the lodge in that city. Exalted Ruler Cheeseman of the Pasadena Lodge was also a guest and the attendance of members, who numbered about 350, included fine delegations from Van Nuys and San Fernando. The initiates were: Oscar L. Whitaker, Dr. F. M. Collier, A. E. Woodmansee, Gordon A. Clayton, James L. Farley, Louis S. Granger, Charles I. Thacker, J. L. Schieffelin, Charles I. Early, O. S. Palmer, Charles L. Dice, Earl S. Farnsworth, Elmer S. Flower, Claud L. Fellows, John J. Lamberty, Otto Wendell (for New Orleans Lodge) and Oscar Sattinger (for Indianapolis Lodge).

Past Exalted Ruler Albert Pearce who has charge of the Thrift Stamp campaign for the government in the Southern California District extending from Santa Barbara to San Diego, in association with G. A. Melling, of Los Angeles Elks' Lodge No. 99, presented the cause under "the good of the order," and met with a one-hundred per cent response. This means that the lodge subscribed \$1000 in Thrift Stamps, which is the limit allowed by the government to any organization. Mr. Pearce and his associate in the course of their patriotic pilgrimage have visited 12 Elks' lodges, each of which has subscribed the limit. Exalted Ruler Cameron Thom appointed a committee, composed of wide-awake, representative men, to have charge of the Thrift Stamp campaign in Glendale, and it will be pushed with vigor. The thousand dollar subscription, Mr. Pearce explained, simply advertises to the community that the Lodge is backing the Thrift Stamp movement and that its members will promote in all possible ways the sale of the stamps. They can be purchased through the National Banks of the city or through the Postoffice.

The committee appointed by Exalted Ruler Thom is composed of the following men: Ezra Parker, George Payne, Dr. C. S. Steelman and John Roman. The campaign has meant a considerable sacrifice of time on the part of Mr. Pearce, but he has undertaken it as a patriotic service at the request of government officials of the twelfth federal reserve district at San Francisco after patriotic resolutions pledging support to the campaign had been passed by the Grand Lodge and by the Southern California Elks' Association.

Following the lodge session a banquet was served in the Jinks Hall with a cabaret entertainment, which included songs by E. R. Rose, lecturer and soloist of Los Angeles, a fine troop of four Hawaiian ukelele players, and a moving picture.

NEW ERA CONFERENCE

Monday at 3:30 p. m. in the First Presbyterian Church of Glendale, a conference of workers of the Presbyterians was called to order by Rev. Guy W. Wadsworth. The seven great divisions of the New Era program were each presented by special leaders and then actively discussed by the workers. Mrs. Wales of Pasadena represented the Missionary department. She was followed by Miss Rose Scott, who represented the young people's work. Rev. H. A. Fisk of Monrovia presented the work on Stewardship. Each speaker referred to the chart, which had an outline of each department. Publicity was introduced by Rev. I. E. Leonard, who urged consistent advertising as a means not an end. Dr. S. G. Livingston of South Pasadena closed the afternoon session, speaking for the several boards of the church, Sunday School, Church Erection, Freedmen, Missionary, etc.

At 6:30 an appetizing supper was served to about one hundred people. Delegates were present from Eagle Rock, Tropic and Glendale. At the close of the meal James Newton, our local chairman, called on Mr. Wadsworth to give a brief history of the New Era. He asked us if any present could think back to 1914. The years since that date have brought so many changes it almost seems centuries ago. The three speakers for the evening were Dr. Kellogg, Rev. Paul Stevens and Dr. Wadsworth, who represented respectively, first, Spiritual Resources; second,

EASTERN CONDITIONS

MR. AND MRS. C. H. EVANS RETURN FROM CITY OF BROTHERLY LOVE

Mr. and Mrs. C. H. Evans of 122 East Laurel street have just returned from a five months' stay in the east during which they visited in and around Philadelphia, their old home. The journey was made chiefly on account of Mrs. Evans' mother whom they had not seen for eighteen years and who is now eighty-five years old. Her home is in New Jersey, just across the line from Philadelphia. They went via the Southern Pacific to New Orleans and made the rest of the journey by steamer. It was a delightful trip, the more so because there were so many travelers from Southern California, Rev. U. H. Walker, pastor of the First Presbyterian Church of Los Angeles being one of the passengers. Mr. and Mrs. Evans observed the same unrest in the populations of eastern cities that is seen here and the same movement. In order to secure a stable shelter they are compelled to buy as is the case here. The cost of living as far as food supplies are concerned they found about the same as in Southern California, but there were other advances which people were resisting more stubbornly. For instance, the fare between Philadelphia and Medford, which formerly was 5c, has been raised to 15 cents. The cars have been stoned as an evidence of unpopularity and as far as it is possible to do so former patrons refrain from riding in them.

During the first month of their stay twenty-five inches of rain fell, and all the time they were gone it rained almost daily. As a result a considerable amount of garden truck was damaged by fungus diseases encouraged by moisture. As an example they cited one twenty-acre field of tomatoes from which only twelve baskets of fruit were gathered. Farmers and gardeners were considerably discouraged. While the weather was not what they expected, they nevertheless had a pleasant visit. They have returned in good health and spirits and are very glad to be at home again.

Y. M. C. CONFERENCE AT LA VERNE

On Saturday afternoon at one-fifteen eleven boys from Glendale, under the supervision of W. G. Boyd and George Lemon, left for the Younger Boys' Y. M. C. A. Conference, held at La Verne, California.

They arrived about 2:45 and games of basketball, baseball and football were played until evening. At six-thirty a banquet was held at the Methodist Church at La Verne. Officers were elected and Glendale had the honor of having one of its boys, Paul Edmond, elected president.

Meetings were held Sunday morning until church time, when they adjourned so the boys could attend church. Sunday afternoon was taken up with meetings.

The main object of the conference was to organize a Y. M. C. A. in each town possible and it is hoped to have a secretary in Glendale soon.

The La Verne people showed the boys a dandy time and were very hospitable.

BETTER CAR SERVICE

NORMAL SCHEDULE ON BROADWAY RESUMED AND 12-MINUTE SERVICE PROMISED

Mr. Smith, assistant passenger agent of the Pacific Electric Railway, has advised a member of the Glendale Board of Trustees that it is seriously considering putting on a 12-minute car schedule during the rush hours night and morning on the Glendale line, that the matter will very soon be decided as new time cards are to be issued within a week. He also stated that beginning today the normal service on Broadway would be resumed. There has been great dissatisfaction among residents who have been dependent on the Broadway line and this news will be of much interest to them. The 12-minute service, if provided, as now seems probable, will be of great advantage to the city and do much to increase its population provided building can be stimulated sufficiently to provide houses for home seekers.

The Group Plan; third, Social Service. The whole conference was characterized by freedom and good fellowship, with an intense interest to get and give the best.

Personals

C. G. Paul, who has been living at 1266 South Glendale avenue, has bought the Allen property on Palmer avenue.

Mr. and Mrs. H. R. Cates of Eagle Rock were dinner guests on Sunday of Mr. and Mrs. A. W. Tower, of 615 South Adams street.

Mrs. Sidney Dell of 928 North Louise street, is making quite extensive improvements in her property with the intention, it is said, of placing it upon the market.

Mrs. Emma Burket of 520 East Harvard street expects to go north Wednesday with her relative, W. B. Allen, of San Diego, who was a week-end guest in her home.

Mrs. Helen Sadler, a former resident of Glendale, who is now living in Santa Monica, is the guest for a few days of her daughter, Mrs. E. L. Young, at 325 West Milford street.

The bridge on North Louise street is now open to traffic. Brand has been closed on both the east and west sides as the channel is now being cut through at that point by the flood control workers.

Mr. and Mrs. E. Gansert have vacated the premises in which they have been living on Ethel street and are moving, it is reported, to East Broadway. Mrs. Minette Sherman will occupy the Ethel street property.

Mr. and Mrs. T. J. Hammond of 110 East Cypress avenue were guests of Mr. and Mrs. Anson, of Los Angeles, Sunday, on a delightful auto trip of one hundred and fifty miles over the Ridge Route and back through Pine Canyon.

The new Boy Scout Troop, which has been organized under the auspices of the Knights of Columbus under the immediate direction of James Mullin and Mr. Monahan, will meet Wednesday night to receive the degree of Tenderfoot. Mr. Harwood, acting Scout Executive, will be present.

Mrs. J. S. Tassmere, who came from New Haven, Connecticut last February, is so delighted with Glendale, that she and her husband decided to locate here permanently and have purchased 406 Cameron Place. Mrs. Tassmere came here because of poor health, but has improved steadily since her arrival and she cannot say enough in praise of Glendale.

A chapter of the Young Ladies' Institute, which is to Catholic women what the knights of Columbus is to the men of the church, is being organized through the efforts of Mrs. Frank Salmacia and Mrs. Sue Wendell, who formerly belonged to a Los Angeles Chapter. At an organization meeting, to be held Wednesday evening, a class of about forty will be initiated.

Mr. and Mrs. Wade Simonton, new comers from San Francisco, who are now living in an apartment in Los Angeles, have purchased the property at 918 North Louise street, in which Mr. and Mrs. Russell Squier have been living. Mr. Simonton is a recently returned ex-service man. The Squiers are planning to go to Los Angeles, which will be a more convenient home for their daughter, Miss Emily Squier, who has a studio in the Mason Opera House.

Mrs. E. B. Hall of 1237 South Mariposa street reports that a store room in a building which she owns at the corner of Park and Brand boulevard and which was vacant has been leased by new comers, Mrs. Black and her daughter, for a dwelling. They sold their home in the east and had satisfied themselves that they want to live in Glendale but could find no house to rent. It would be of no use to return to the east because, they say, there is as great or worse congestion there. They seem well contented with their shelter and like Glendale.

WEEK-END NOTES

SUNDAY LEISURE GIVES CITIZEN A CHANCE TO COMMENT ON LOCAL AFFAIRS

The Rev. Clyde Monroe Crist uttered an exceedingly important truth for these times, when he said, that although the church has changed, and is changing, the everlasting Gospel of Jesus Christ, the Son of God, never changes. We all need that.

Master Robert Lindsay has recently installed a wireless plant in his home. He says there are more than twenty amateur operators around Glendale who pick up news from all along the Pacific Coast, from points as distant as Washington. That is interesting. We can not all make wireless a hobby. But Dr. A. C. Dixon says, that one who has a Bible in his home has a whole system of wireless telegraphy by means of which he may at all times gather news from the Heavenly world.

The Jewel City Undertaking Company has greatly improved the appearance of the exterior of its funeral parlors. We have no occasion nor desire to inspect the interior, but should necessarily require, we would prefer to move into an attractive home, rather than into a shabby one.

The Horticultural Inspector recently found a citrus tree infected with black scale, and took the trouble to notify the owner who was in Illinois, that the tree must have immediate attention. The owner being already on his way back to Glendale, the notification trailed him a week later. He asked a druggist what to do for black scale. "Use Gold Dust Twins," was the reply. The darkies were willing, so Mr. Owner found a small spray and sprinkled the tree until his arms ached. Then he wrote inviting the Inspector to call again, confessing himself unable to tell black scale from any other scale, and so could not say whether his strenuous efforts had been successful or not. The Inspector called again and prescribed fumigating. Then Mr. Owner invited him to look at two small trees in the parkway. Both

If you have come here to remain permanently you are probably looking for a home and are undecided whether to buy or build. If you have given the matter serious consideration you have undoubtedly come to the conclusion that it is more desirable to build. Building materials and labor will not be cheaper soon and the advantage of having a house built and arranged just as you want it and having it entirely new are big items in favor of building.

Every family expects to build a home some day. Every woman has planned this or that feature that she wants when she builds a home of her own.

This is where she makes connection with BENTLEY'S BUILDING SERVICE. She comes to our office and looks over hundreds of floor plans that we have prepared for the home builder. Among them she is sure to find one that embodies all the features she wants in a home. We show her photographs too so that she can see just what the house will look like when it is completed.

Then when she has selected plans according to her ideas and according to the amount it has been decided to put into a home, we build the house, furnishing the materials and following specifications rigidly.

Decide to Build a Home and Let Bentley Build it

Mr. Kimlin on behalf of the Glendale Sanitarium, expressed its satisfaction in the organization of the Council and its readiness to cooperate, saying it stood ready in case of need to give treatment and medication. Mr. Munson, representing the Seventh-day Adventist Church, expressed similar sentiments as did

Mr. Lemon, for the Glendale Presbyterian Church, and others present.

The Council then adjourned to meet again at the same time and place two weeks hence.

A SQUARE DEAL FOR IRELAND

Is Los Angeles Intolerant?

WILL YOU GIVE EAR TO A NATION IN CHAINS?

Who Is DeValera and What Does He Represent?

Eamon DeValera is the elected President of the existing Republic of Ireland.

Encouraged by the definition of principles of Self-Determination as enunciated by President Woodrow Wilson, the people of Ireland, seizing the opportunity afforded by the General Election of December 14, 1918, declared what form of government they wished to live under.

By a vote of 1,207,151, to 308,713 they gave a mandate to their representatives to remain and act in Ireland as the Government of Ireland.

These representatives, standing on Ireland's inalienable right to Nationhood, reiterated in every generation, adopted a declaration of independence, on January 21, 1919, analogous to that adopted by the Continental Congress of America on July 4, 1776.

Shall Government by Might or Government by the Consent of the Governed Prevail in Ireland?

That is the question President DeValera has been sent by the people of Ireland to ask the people of America.

George Washington was called a traitor by the British government. So is President DeValera.

How can an Irishman be a traitor to a country to which he does not owe allegiance?

President DeValera has come to this country in the same capacity as that in which Benjamin Franklin went to Europe. President DeValera appeals for sympathy for the cause of Irish freedom. Mr. Franklin appealed for sympathy for the cause of American freedom.

In England, Mr. Franklin was sneered at and called a traitor

because he sought the freedom to which our country aspired. But in Ireland he was universally welcomed. Everywhere he went he was received enthusiastically, and the then existing Irish Parliament, later crushed by the British Government, officially welcomed him and gave him a seat of honor in the Parliament Chamber. When he wrote home in 1769, Franklin said that "all Ireland is strongly in favor of the American cause;" and, again in 1771, he wrote, "our part is warmly taken by the Irish people."

All President DeValera asks of the people of Los Angeles is a fair hearing. As the representative of a people whose contribution to the development of America exceeds that of any other single nation, he is, in justice, entitled to this fair hearing.

DeValera is not a fugitive from justice—or injustice—despite

the statements to the contrary. The British Government has no charge whatever against him. He was a free man before leaving Ireland. He is a free man now. He will be a free man when he returns.

Good Americans will withhold their verdict on the Irish question until they have had an opportunity of hearing the case of Ireland stated by the official spokesman of the Irish people.

AMERICAN LEAGUE FOR IRISH INDEPENDENCE,

JOSEPH SCOTT, Chairman.

W. J. FORD, Chairman of Executive Committee.

P. P. O'BRIEN, Treasurer.

WHAT SOME GOVERNORS HAVE SAID:

The Governor of Utah, Simon Bamberger, greeting President DeValera in Salt Lake City:

"Mr. President—It is a great pleasure for me to tell you that the majority of the people of Utah are heartily in favor of the struggle of the Irish people for freedom."

The Governor of Massachusetts, Calvin Coolidge, recently re-elected on a law-and-order platform, introducing President DeValera to an audience of 40,000 Americans in Fenway Park, Boston, said:

"Mr. President—Here on Boston Common and at Bunker Hill our own forefathers fought for American liberty and here the American people pledge their devotion to the cause of Irish liberty."

The Governor of Montana, Sam Stewart, introducing President DeValera to a great audience on the steps of the Capitol Building at Helena, said:

"Mr. President—You are welcome to Montana, where everybody is free and where everybody wants everybody else to be free."

Lieut. Governor W. A. MacDowell of Montana, introducing President DeValera to the joint session of the Montana legislature said:

"Mr. President—If it were left to a vote of the American people, I'll stake my word that Ireland would be free tomorrow."

The Governor of New Hampshire, introducing President DeValera to the legislature of that state said:

"Mr. President—While one nation is in bondage to another nation no nation on earth can call itself free. We Americans stand for the freedom of Ireland and the freedom of oppressed nations everywhere."

The Right Reverend Henry Buchtel, former Governor of Colorado at present Chancellor of the University of Denver and a Bishop of the Methodist Episcopal church, representing the Governor of Colorado as chairman of the meeting in Denver said:

"If I had to live in Ireland I would have been shot long ago."

No nation has endured such suffering. No nation has displayed such devotion to the cause of freedom as has the nation of Ireland. Mr. President, I welcome you to the State of Colorado and I voice the feeling of the vast majority of the people of this state when I tell you that the time has come when the people of Ireland must have the freedom they have so long sought and so long deserved."

The Governor of Rhode Island, Mr. Beekman, Welcoming President DeValera to Newport said:

"I need hardly tell you, Mr. President, that we have a tradition here in Rhode Island that is entirely in keeping with the struggle of the Irish people for the right of self-government, and I need hardly tell you that, as we have not forgotten our own heritage of liberty, we sympathize with the Irish people, whom you represent, in their effort to live their lives in their own way, free from foreign molestation."

The Governor of Virginia, Westmoreland Davis, welcoming President DeValera to Virginia, where he addressed the legislature said:

"Let no man, least of all an American, set limitations to the onward march of a nation. We, here in America, stand for government by the consent of the governed, and that applies to Ireland as well as to every other country."

The Governor of Wisconsin, E. L. Philipp, introducing President DeValera to a vast audience in the Milwaukee auditorium, said:

"I not only welcome you to Wisconsin, Mr. President, but I unalterably enlist in Ireland's fight for freedom. And to you, my fellow citizens, I say that if you think it strange that the president of the Irish nation is in this country, you should remember that our own president went to Europe not so long ago. He went to free the whole world, while our distinguished visitor comes here only to make Ireland free."

Governor J. H. Goodrich of Indiana, greeting President DeValera at the State House, Indianapolis, said:

"This is a pleasure for me, Mr. President. I think every good American stands with you in your fight for the freedom of Ireland. We Indians stand for the freedom of every people because we are good Americans."

Other Governors who officially welcomed President DeValera, but whose words are not obtainable at the moment, are the governors of Iowa, Michigan and Minnesota.

MAYORS AND CITY COUNCILS HAVE OFFICIALLY WELCOMED PRESIDENT DEVALERA IN

New York City, Philadelphia, Boston, Cambridge, Chicago, Cleveland, Akron, Youngstown, Omaha, Detroit, Fort Wayne, Manchester, (N. H.) Jersey City, Newark, Hoboken, Trenton, Indianapolis, Richmond, (Va.) Syracuse, Scranton, Sacramento, San Francisco, Seattle, Baltimore, Denver, Salt Lake City, Ogden, Providence, Newport, Albany, Kansas City, St. Louis, Springfield, (Ill.) etc.

DeValera

Has spoken to tens of millions of Americans who have applauded his cool, logical speeches. If he were a Bolshevik or a terrorist, somebody would have discovered the fact before this.

The fact is that DeValera is a patriot, who loves his country so much that he is ready to give his life for its freedom.

Washington took the same attitude.

So did Nathan Hale.

Who forgets Nathan Hale?
